

SCHUMACHER PRO FLEX PULSE CROP LIFTERS

This NEW crop lifter from Schumacher is designed for all pulse crops.
The fully adjustable lifter fits most guards. The replacement finger means you no longer need to replace the entire crop lifter.

With the specially designed slot, the PRO FLEX lifter can fit perfectly on most types of guards. That's why the Schumacher pulse lifter guarantees a tight fit. Suitable for those hard to fit fronts eg MacDon D60, 2152
Ideal for all pulse crops

5 good reasons for PRO FLEX

- 1 Schumacher pulse lifters guarantee a tight fit on all popular guards
- 2 Crop lifter finger can be easily seen in the crop due to white colored material
- 3 High quality lifter finger ensures longer life and reduced distortion
- 4 Crop lifter finger is adjustable in length
- 5 Finger angle is also adjustable
