

SCHUMACHER PRO DRIVES

AGPOINT Part No.	Description	Midwest No.	New Holland No.	HoneyBee No.
------------------	-------------	-------------	-----------------	--------------

VERTICAL KNIFE DRIVE

87012509	Belt Driven Pro Drive, 85mm stroke *No Pulley	816-00049-06		
87012509JD	Belt Driven Pro Drive used on John Deere 900 series draper fronts with pulley fitted and 27mm block & bearing supplied.			
88012225	Pulley 200mm diameter			
88012785	Pulley 220mm diameter			
88012788	Pulley 230mm diameter			
88012802	Pulley 240mm diameter			

COMPONENTS

85010083	Groove Nut M25 x 1.5 (#6 p.411)			
85010084	Groove Nut M30 x 1.5 Self locked (#2 p.411)			
85010234	Nut M30 x 1.5 Component (#14 p.411)			
85010284	Cover VK52 Component (#5 p.411)			
85010285	Cover LPL Component (#1 p.411)			
87015934	Conversion Kit; modify twin bolt spur gear to single bolt (17mm)			
87002527	Conversion Kit; modify twin bolt spur gear to single bolt (27mm)			
87015169	Replacment Bearing Kit #3208 for Spur Gear Main.			
87014879	Gear pair kit for 87012509M vertical knife drive			
87001637	Spur gear to suit 87012509M vertical knife drive			
87012630	Drive shaft kit to suit 87012509M vertical knife drive			
82012766	17mm Knife Head Block & Bearing Assembly	816-00048-06	86564390	26246
82014230	27mm Knife Head Block & Bearing Assembly			
82012767	27mm Knife Head Block & Bearing Assembly - longer type use with JD 900 series fronts - serial number 710100 and less.			
82010259	Knife Head Bearing including Top Plate	884-05225-01	86565872	26258
82012543	Knife Head Nylon Insert	816-00057-06	86563534	25297
