Direct Drill STYLE SECTION:

Direct Drill System: Specialised Application Points	McCoy Armin
--	--------------------

ARDMCA1*	50mm	10mm	PRICED TO QUIT			Armin Point Long : Soil Disturbance approx. 50mm below closing wing.
ARDMCA2	25mm	10mm	1		each	Armin Point Short : Soil Disturbance approx. 25mm below closing wing.

The McCoy Armin has a Patented, in-built closer wing. The leading knife blade cuts the slot and provides for deep soil disturbance.

Immediately behind, and prior to seed delivery, the in-built closing wing forms a consistent depth seed bed over the slot: giving better control of seed placement and sowing depth.

Direct Drill Points	Tile & Agtuff Grit Combo
----------------------------	-------------------------------------
